

Item 7.1 Petition - Dog Park Upgrade at Eastern Road Reserve

Question from Councillor Clark:

With regard to the possible installation of updated surface at Eastern Road Dog Park, what would be the estimated maintenance cost of this new surface type?

Response:

The ongoing cost of maintaining a granitic sand surface at Eastern Reserve would be \$5K per year. It would be expected that the ongoing maintenance on a turf surface would be between \$10-15K annually.

**Please note: answers to any questions in Public Question Time and Councillor Question Time which were answered at the meeting are included in the minutes of that meeting.*
