

10.1 Shrine to Sea Draft Masterplan Advocacy

Question from Councillor Pearl:

How much money has the State Government spent on this project? Have they released how much money they've spent so far of the 13.1 million? How much is left over for the rest of the project?

Response:

Shrine to Sea is a Victorian Government Project with the project budgets and timelines managed by the State. Officers do not have access or oversight of these budgets and are not in a position to provide the requested information.

The following response has been provided from the State Government in response to Councillor Pearl's query:

"The \$13million budget was allocated to fund the planning process and commence delivery of works. The majority of funding will be spent on delivery of works"

**Please note: answers to any questions in Public Question Time and Councillor Question Time which were answered at the meeting are included in the minutes of that meeting.*
