1. Specialist contractor undertaking hygienic pressure wash downs of activity centres (Fitzroy, Acland, Bay, Clarendon, Carlisle, Streets and Ormond Road)	X		X	X		
2. Specialist contractor undertaking detailed deep pressure wash of Acland and Fitzroy Streets (currently occurs twice yearly)	X	X	X	X	X	
3. Additional dedicated rapid response unit with a pavement scrubbing unit	X	X ¹	X	X	X X X	X

¹ Initial trials have been successful at demonstrating that the scrubbing unit can remove some stains. This is not as effective as deep detailed pressure washing but is more effective than general wash downs.
