---

To whom it may concern,

Further to the Council Resolution given at the meeting on the 6<sup>th</sup> March 2019, whereby the City of Port Phillip resolved to: *“3.1 Make available up to \$1.5m from the City of Port Phillip Community Housing Fund to be provided as grants to any Registered Housing Agency that is applying in the current round of Victorian Government funding to build and operate social housing within the municipality of Port Phillip.”* And *“3.2 Provides those eligible Registered Housing Agencies a one-off payment not exceeding \$15,000 (exc. GST) per dwelling unit to help fund their application and project”*.

Following the Council Resolution made, it is requested that the above amounts be included within the Budget Plan 20/21 to assist with the funding of the Marlborough Street Project with a contribution of \$690,000 (exc. GST) (\$15,000 x 46 dwellings). The Marlborough Street Project is a key part of the City of Port Phillip’s In Our Back Yard Strategy that will see the delivery of 46 new social housing homes within the Port Phillip Housing Trust. The proposed project will not only provide much needed economic stimulus by providing hundreds of jobs in to the economy through its construction. But it will also provide high-quality homes in an area that is close to fantastic amenity that will help ease housing stress that is only further burdened by the current COVID state.

I would also request an opportunity to speak to this submission at the Council’s upcoming meeting on the 5<sup>th</sup> August 2020.

Please can you confirm this submission and its record on Council’s file as a submission to be made to the Budget Plan for 20/21?

Regards,
