

CELEBRATE ACTION. JOIN THE ALL ONE TOGETHER CAMPAIGN

CAMPAIGN PLEDGE

We celebrate the contributions of our First Nations peoples, and recognise their central place in our country.

We pledge to work to demonstrate how diversity enriches Victoria and to keep strengthening the bridges that connect us all.

We celebrate the contributions of people from all over the world who make our communities vibrant and innovative.

We acknowledge that racism divides us and harms our capacity to live respectfully together, and to learn from each other.

We declare our unconditional support to human rights, and the rights of all people to live free from discrimination.
