

Public Question Time

Question from William Cross

Where does Port Phillip stop and Caulfield start?

Why does my street have rubbish bins thrown all around and the Caulfield area has bins stacked up neatly?

Response

The City of Port Phillip boundary is Hotham Street and Inkerman Street, Balaclava up to Orrong Road St Kilda East

The matter on bins thrown around after collection, I will have a council officer inspect your street to make sure that bins are returned correctly and back to collection points as required under the waste and recycling collection contracts.
