16-Feb-22	Councillor Question Time	Cr Clark	Given we advocated so strongly for the e-scooter trial, my observations in the last couple of weeks have been at least one in three people are not wearing a helmet. I've seen multiple people riding two on a scooter, one with a helmet and one without, sometimes an adult and a child. I've seen people going pretty fast down the footpaths, and we've seen some very public altercations on St Kilda Road and various other incidents that are all quite unpleasant. Do we have any responsibility or any work that we're doing with the police or is it solely the police's responsibility to police the safety requirements? That would be quite a significant increase on police resources to be reviewing all of the breaches that I've seen just in the last couple of weeks.	22139048	Yes	https://www.portphillip.vic.gov.au/media/sqad441n/qon-16-february-cr-clark-e-scooters.pdf

She was wondering if it would be possible to find out who was responsible for that particular mural near the South Melbourne Market tram stop, and if Council is the responsible authority for its maintenance , could it be put on the program of works for the mural to be repainted, updated or cleaned?	22139098	Yes	https://www.portphillip.vic.gov.au/media/aztbixqa/qon-16-february-cr-bond-south-melbourne-mural.pdf
