MEETING OF THE PORT PHILLIP CITY COUNCIL 5 JULY 2023

Welcome

Welcome to this Meeting of the Port Phillip City Council.

Council Meetings are an important way to ensure that your democratically elected representatives are working for you in a fair and transparent way. They also allow the public to be involved in the decision-making process of Council.

About this meeting

There are a few things to know about tonight's meeting. The first page of tonight's Agenda itemises all the different parts to the meeting. Some of the items are administrative and are required by law. In the agenda you will also find a list of all the items to be discussed this evening.

Each report is written by a Council officer outlining the purpose of the report, all relevant information and a recommendation. Council will consider the report and either accept the recommendation or make amendments to it. All decisions of Council are adopted if they receive a majority vote from the Councillors present at the meeting.

Public Question Time and Submissions

Provision is made at the beginning of the meeting for general question time from members of the public.

All contributions from the public will be heard at the start of the meeting during the agenda item 'Public Questions and Submissions.' Members of the public have the option to either participate in person with COVID safe requirements or join the meeting virtually via WebEx to ask their questions live during the meeting.

If you would like to address the Council and /or ask a question on any of the items being discussed, please submit a 'Request to Speak form' by 4pm on the day of the meeting via Council's website:
