Accompanying Information

Note: Council may reduce the information that you need to provide but cannot ask for more information than listed. Please check the information requirements with us. The following information must be provided as appropriate.

- A site context report, using a site plan (A3 size, fully dimensioned, has a north arrow, is to scale (i.e. 1:100 @ A3), and includes a scale bar), photographs or other methods to accurately describe:
 - The location of the proposed sign on the site or building and distance from property boundaries.
 - The location and size of existing signage on the site including details of any signs to be retained or removed.
 - The location and form of existing signage on adjoining properties and in the locality.
 - The location of closest traffic control signs.
 - Identification of any view lines or vistas that could be affected by the proposed sign.
- The dimensions, height above ground level and extent of projection of the proposed sign.
- The height, width and depth of the total sign structure including the method of support and any associated structures such as safety devices and service platforms.
- The colour, lettering style and materials of the proposed sign.
- The size of the proposed display (total advertising area including all sides of a multi-sided sign).

Note:

- ① If the land is in a Heritage Overlay also complete **Checklist 8 Heritage Overlay**.
- ① Please ensure your development complies with the Electrical Safety (Installations) Regulations 2009 relating to minimum distance of structures from power cables. This aspect is not reviewed during assessment of planning or building applications, and non-compliance may affect construction.
