

Declaration of Councillor Expenses – October 2022

Councillor Allowances and Expenses

The following pages set out the expenses incurred by each Councillor in the following categories:

Councillor Allowance includes statutory allowances for the Mayor and Councillors, inclusive of a provision paid in recognition of the fact that Councillors do not receive superannuation.

Conference and Training includes any registration fees, accommodation and meal costs associated with attendance or participation in conferences, training or professional development programs.

Travel includes cabcharge / taxi fares, Mayoral vehicle at standard charge out rate, public transport / myki costs, airfares, rail and bicycle reimbursements associated with Council business related travel.

Car Mileage includes reimbursement to Councillors for kilometres travelled in their private vehicles associated with Council business related travel.

Child and Family Care include payments for necessary child care arrangements incurred to attend: Council and Special Council Meetings, Council Briefings, ceremonial functions, events and occasions agreed by the Chief Executive Officer or resolution of Council.

Information and Communication Technology includes the monthly fees and usage costs associated with mobile telephones, tablets and internet charges.

Councillor Attendances

In addition to regular Council Meetings and Councillor briefings, Councillors attend meetings as Councillor appointed representatives of delegated, advisory and external boards and committees.
