

## **Item 11.1 Cleaning of Council Buildings and Amenities**

---

### **Question from Jennifer Edge**

Regarding the disabled toilet at the St Kilda Life Saving Club, which has a lift and bed. For the past 6 weeks, the toilet has been found unlocked with indications of people living within it. Can officers advise, who patrols this toilet, who cleans it and who is responsible for maintenance and security. Noting that the locks seem to be damaged

### **Response**

Council is responsible for the cleaning and maintenance of the public toilets including the disabled toilet at the St Kilda Life Saving Club. Since the question was raised, the vandalised door has been fixed and is now functional. With the new Cleaning contract in place, the toilets will be cleaned regularly as per the cleaning schedule for our public toilets.
