

What you need to do

The fast and easy way to apply is online via **portphillip.vic.gov.au/ pay-apply-report** Otherwise complete this form and submit via email.

Complete the form

This form must be completed and returned on completion of the works.

Read before starting

This form is to be completed by the permit holder.

Request for final inspection

- The final inspection will not be conducted unless all the building, construction, and associated works, (including Council asset clean-ups) are completed where applicable.
- The final inspection of Council's assets is not the same as the final inspection for the building works. The final inspection for the building works is done through your Private Building Surveyor or Council's Building Department and it only relates to the construction works.

Reimbursement of security deposit

- The security bond is refunded to the permit-holder only on completion of the building works, provided that there has been no damage to Council assets or any damage done has been reinstated to Council standards.
- Damage to Council assets that has not been repaired to Council satisfaction will be reinstated by Council, and the cost deducted from the bond. If the bond isn't enough to cover this cost, the permit holder will be charged the difference.
- Any damage to Council's assets by Service Authorities will be the owner's / permit holder's responsibility.
- Any damage may result in fines to the permit-holder and/or builder.
